PURPOSE:

Out-of-School Youth programs provide access and entry into post-secondary education and/or occupational/technical skills training and career pathways. These programs work in partnership with community colleges, advanced skills training entities, and/or four-year colleges and universities that lead to post-secondary degrees and/or industry recognized certifications.

FUNDING SOURCE:

United States Department of Labor

FUNDING AMOUNT:

\$4,644,000

TERM:

July 1, 2016 - June 30, 2017

POPULATION SERVED:

Youth ages 16-24 who are not currently enrolled in school

SERVICE PROVIDERS:

Able-Disabled Advocacy (Metro); Access (all regions), Comprehensive Training Systems (South), Interfaith Community Services (North), International Rescue Committee (East), San Diego Second Chance (Metro), San Diego Continuing Education, San Diego Community College District (Metro), YMCA San Diego (North)

"The whole team really helped me, and were always wanting to know how my son and I were doing. It made them really happy to know that I had graduated and was starting college and that I was able to share that experience with my son."

- Ashley, participant
