OPERATIONS ISSUANCE

OPERATIONS ISSUANCE NO. 2013-07

DATE: November 30, 2012

TO: Adult & Youth Program Service Providers
One-Stop Career Center Operators

FROM: Matthew Dohner,
Finance Director

SUBJECT: FY 2011-2012 AUDIT REQUIREMENTS & QUESTIONNAIRE

PURPOSE

This Operations Issuance is to transmit a copy of the **Subrecipient/Contractor Questionnaire (Attachment A)** for completion and submittal to the San Diego Workforce Partnership (Workforce Partnership), and a reference to the Office of Management and Budget (OMB) Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations" (which was last revised on June 27, 2003).

AUDIT THRESHOLD

The OMB A-133 audit threshold is \$500,000. This applies to non-profits and local government organizations that expend \$500,000 or more per year in Federal awards (all sources). This includes all Federal awards and not only those awarded under WIA. The Workforce Partnership will consider additional compliance monitoring, or other actions for agencies with less than \$500,000 per year in Federal awards. Non-profit and government organizations may not charge the cost of an audit to WIA or any other Federal grant if the organization expended less than \$500,000 in total Federal Awards. Note that this Federal rule supersedes and replaces any conflicting requirements in your contracts, including the Workforce Partnership Operations Manual and previous Operations Issuances.

AUDITOR INDEPENDENCE REQUIREMENTS

An auditor that prepares the indirect cost proposal or cost allocation plan for an organization, when indirect costs exceeded \$1 million in the prior year, may not perform the organization's audit required by OMB Circular A-133 (**Attachment B**). [See §.305(b) on page 16 of the referenced Circular]

REPORT DUE DATE

The audit reports of contractors are to be completed within nine (9) months after the end of the contractor's fiscal year, and are to be delivered to the Workforce Partnership within thirty (30) days after the completion of the audit.

The revised OMB Circular A-133 contains additional requirements, which are less significant, and we encourage organizations to carefully read the OMB Circular A-133 and appropriately comply with these regulations if they are not already part of the organization's policies and procedures. The OMB Circular A-133 is law and must be followed.

SUBRECIPIENT/CONTRACTOR QUESTIONNAIRE REQUIREMENT

Contractors are required to complete and return the attached "Subrecipient/Contractor Questionnaire" to the Workforce Partnership **no later than Friday, December 21, 2012**. This correctly completed questionnaire will help us to identify your audit requirements. This is not a substitute for, or all inclusive of OMB Circular A-133 requirements. Appropriate personnel in your organization should review this circular and make decisions as to the particular audit requirements applicable to your organization.

Failure to submit your correctly completed questionnaire by Friday, December 21, 2012 shall result in a suspension of all contract invoice reimbursements and/or other sanctions for your organization.

If you have any questions regarding this issuance, contact your Program Specialist at (619) 228-2900.
